RE: Pistol Permit Application by Bridgette A. Tojek

Dear Judge Brown:

Enclosed is a Pistol/Revolver license application made by Bridgette A. Tojek, and submitted to me by the Sheriff's Office for review. For the reasons stated below, I am asking that you accept a transfer of the application for determination in your Court. By copy of this letter I am notifying the applicant of this transfer.

The reasons for my request are that it has been reported the applicant, in her official capacity as a town justice, has continually disparaged me and my family publically in her Court and in Town meetings.

Due to this, and other alleged improprieties, I would have a predisposition to deny her application. Because I have such a predisposition, and in order to avoid any claim that her application was not given a fair consideration, I am asking that you accept the matter for determination.

Very truly yours,

Hon. Terrence M. Parker
